We've reviewed your electricity debt payments

Dear MR GEORGE SANDERSON

We've carried out a review of your current balance alongside your smart meter readings. The review shows that we need to reset your electricity meter as below:

- Your new repayments**
- Standing charge of £4.09
 - Debt recovery amount of £5.00
 - Weekly fixed charge: £9.09
 - Your debt will be repaid by 27th February 2026

If the debt payment rate is not suitable and will cause you to experience financial difficulty, please contact us on **0345 270 0700** to discuss a more affordable repayment rate for your circumstances.

Thanks for being a ScottishPower customer.

Action required

Outstanding debt of £5.00

For free and independent debt advice call StepChange Debt Charity free on **0800 138 1111**. They will help you work out a budget and a plan for you to pay off any arrears, so please have a list of your income, savings and outgoings to hand. We will take their advice into account when discussing a repayment arrangement with you. They can also provide details of our customer fund which helps eligible customers on low incomes to pay their bills.
