Dear Mrs West

An appointment has been made for you with the **Ophthalmology – AMD Clinic**

Do you have any of the following symptoms:

A high temperature or fever; a new, continuous cough; a loss or alteration to taste or smell; any other symptoms of a respiratory virus or any positive tests for respiratory infection within the last 7 days.

If you have answered yes, please call the department and consider delaying your appointment or asking if possible for the appointment to be changed to a digital consultation.

Please note that telephone calls from NHS Grampian now begin with 0300 rather than the local area code.

Date:	Monday 29th June 2026
Time:	14:00
Clinic:	Dr Santiago - Nurse
Instructions:	This appointment will be held at the Eye Outpatient Department, Yellow Zone, Level 3, Aberdeen Royal Infirmary. This is accessed through the main entrance to ARI, proceed straight ahead to the Yellow Zone Lifts and up to Level 3.

If you normally wear glasses, please bring them with you.

Patients attending the Eye Clinic may have drops to enlarge their pupils, meaning that you cannot drive for several hours after your appointment. Please take this into consideration when arranging transportation to your appointment.
