

SUBJECT ACCESS REQUEST & REFUSAL NOTICE

Dear Sir/Madam,

We write in response to the Subject Access Request submitted on behalf of your client.

Having carefully considered the request, we are refusing to comply on the following grounds:

GROUND(S) FOR REFUSAL:

The request is considered manifestly unfounded pursuant to Article 12(5) of the UK GDPR. We have received multiple substantially similar requests from this firm relating to the same data subject within a short period of time. We are satisfied that the requests are being made for reasons other than the exercise of the rights conferred by the UK GDPR.

Alternatively / in addition, the request is considered manifestly excessive given the breadth of information requested and the administrative burden it would impose on this organisation.

YOUR RIGHTS:

If you disagree with this decision, you may complain to the Information Commissioner's Office (ICO) at <https://ico.org.uk/>. You also have the right to seek judicial remedy.

Yours faithfully,
Data Protection Officer
